

ENTIRE SOLUTIONS

Established in 2020

Light & Heavy Fabrication Solutions for Industrial and
Commercial Needs

Strong Builds Start with Sharp Cuts

STRONG BUILDS START WITH SHARP CUTS

COMPANY OVERVIEW

- Year Established: 2020
- Industry: Manufacturing & Fabrication
- Core Focus: Laser Cutting, Bending, Fabrication, Powder Coating.

STRONG BUILDS START WITH SHARP CUTS

ABOUT US

Entire Solutions is a leading manufacturing and fabrication company specializing in **light and heavy fabrication solutions for industrial and commercial needs**. We deliver high-precision engineering services including **laser cutting, bending, welding and , powder coating with custom fabrication**.

With advanced machinery, skilled manpower, and a commitment to quality, we provide **durable, reliable, and cost-effective solutions** tailored to our clients' requirements. Our expertise extends to **windmill fixture manufacturing, heavy structural fabrication, precision metal cutting, and electrical assembly works**, ensuring robust performance and long-term value. **Entire Solutions** is dedicated to building strong for **products that meet global industrial standards**.

- Trusted Industrial Fabrication Partner
- High-Precision Laser Cutting & Metal Processing
- Reliable, Durable & On-Time Delivery

STRONG BUILDS START WITH SHARP CUTS

KEY CAPABILITIES

- All types Light & Heavy Fabrication in MS & SS
- Laser Cutting, Bending & Sheet Metal Processing
- Powder Coating & Painting
- All types Electrical Panel Box Manufacturing
- Drilling and Tapping
- Welding Jig and Fixtures Manufacturing
- Wind Power Fixtures and All types of customised parts manufacturing as per the requirement

STRONG BUILDS START WITH SHARP CUTS

OUR SERVICES

- Laser Cutting
- Sheet Metal Cutting & Bending
- Light & Heavy Fabrication
- Powder Coating & Painting
- Electrical Panel Boxes
- Welding, Drilling, Tapping.

STRONG BUILDS START WITH SHARP CUTS

FACILITIES

- Laser Cutting Machine
- Bending Machine
- Profile Cutting

MACHINERY & EQUIPMENT

- Welding Machine
- Drilling Machine
- Tapping Machine
- Painting Unit

STRONG BUILDS START WITH SHARP CUTS

COMPLETED PROJECTS

- Wind Power Blades & Hub Repairing Fixtures
- Wind Power Blades & Hub Transportation Fixture Manufacturing
- Industrial Fabrication Projects
- Electrical Panel Fabrication of MCC, PCC, APFC, AMF, LCP,

STRONG BUILDS START WITH SHARP CUTS

MAJOR CLIENTS

- Intelux Electricals Pvt. Ltd.
- Visotec Corporate Identity Solutions Pvt Ltd
- Yikon Genomics India Pvt Ltd
- AMI CONTROL SERVICES PRIVATE LIMITED
- SYNISE TECHNOLOGIES LTD.
- SAMARTHDIES AUTOTECH PRIVATE LIMITED
- Global Solutions
- JAGADGURU ENTERPRISES
- NEELSON INDOPLAST
- MUKUND STEEL
- SAMARTHDIES AUTOTECH PRIVATE LIMITED
- Yadav Electricals

STRONG BUILDS START WITH SHARP CUTS

INDUSTRIES WE SERVE

- Renewable Energy
- Electrical & Power Industry
- Automotive & Engineering
- Industrial Equipment Manufacturers
- Construction & Infrastructure

STRONG BUILDS START WITH SHARP CUTS

WHY CHOOSE ENTIRE SOLUTIONS

- Sharp Laser Cutting Precision
- Strong Light & Heavy Fabrication
- Modern Machinery & Skilled Workforce
- Competitive Pricing
- Trusted by Leading Industrial Clients
